DEPARTMENT OF MATHEMATICS

Two Day National Conference on Recent Applications in Mathematical Sciences (NCRAMS - 2020) on the eve of National Mathematics Day 22nd & 23rd December - 2020

22nd December is celebrated as National Mathematics Day across the country from 2012 to honour Indian mathematical genius Srinivasa Ramanujan (22-12-1887 to 26-12-1920). Ramanujan showed the signs of unfolding genius and his contributions regarding fractions, infinite series, number theory, mathematical analysis, etc and set an example in mathematics. The main objective behind the celebration is to raise awareness among the students about the importance of mathematics for the development of humanity.

Sri Venkateswara Degree & P.G College, Ananthapuramu has celebrated National Mathematics Day on 22nd December 2021 (Wednesday) with great enthusiasm and zeal. In this celebration an expert talk was given by Prof. G. Shobha Latha (Prof in mathematics, S.K University, Ananthapuramu). Poster presentation, Quiz, Essay writing and Elocution competitions were conducted to celebrate the occasion.

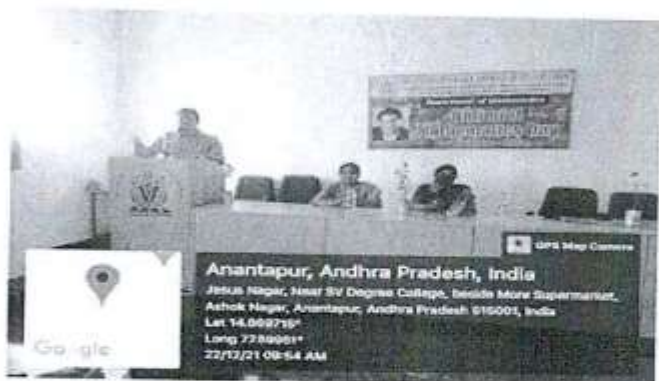

Prof. G Shobha Latha has given information about life and contribution of Srinivasa Ramanujan and explained various applications of matrices in cryptography, game theory and image processing.

The principal of the college Dr.K.Saritha in her inspirational speech stressed the aim of this celebration is to raise awareness about the importance of Mathematics amongst people for development.

speech enthralled the audience by explaining that Mathematics is applied in various fields and disciplines, i.e., mathematical concepts and procedures are used to solve problems in science, engineering, economics and so on.

A Report on "Intellectual Property Rights"

April 24th , 2022

Academic Perspective of Innovation and Intellectual Property Rights A one day Awareness Program on IPR (Intellectual Property Rights) . The Programme included talks on the value of Intellectual Property Rights and how to defend them, patenting procedures and patent informatics, patent searches, the role of innovation and invention in academia-industry partnerships, trademark and copyright protection, and do's and don'ts for researchers in the sense of publishing and patenting. And the Program was conducted on 24th April 2022. The resource persons for the session were D. Nagaraju M.com, B.L and Smt. Dr.C.Madhavi . It was organised by SRI VENKATESWARA DEGREE AND PG COLLEGE. It created a great impact on the entire audience. Students were taught on how IPR restricts copying others ideas and how this will help the development of new ideas for the betterment of the society. Students learnt how IPR provides total control over a new innovation and its creator. They were also given a platform to discuss how small innovations influence societies at large and how they should indulge in innovating and patenting ideas that will be useful for all the classes of individuals in the society.
